EXPERIENCE

Digital Designer

SK+G Advertising – Las Vegas, Nevada
October 2014 – Current

Crafted unique and innovative digital experiences for luxury lifestyle and hospitality brands including Vail Resorts (parent company of Northstar), SLS Hotels and The Borgata Hotel and Casino. These experiences utilized the forefront of web design and development technologies such as WebGL canvas and SVG animation

Multimedia Designer

Covidien (now Medtronic) – Boulder, Colorado
May 2013 – May 2014

Created campaign landing pages, responsive web mockups, content and style guides, images/assets and app interfaces to extend strategic branding in the market of global healthcare

Freelance Designer

Peakview Consulting Group – Highlands Ranch, Colorado
2009 – Current

All-around design for small businesses including logos, business cards, marketing materials, website design and development

EDUCATION

Bachelor of Communication
Technology, Arts & Media
University of Colorado – Boulder, Colorado
